at the home of
Paula A. Treichler
808 S. Lynn, Champaign
(356-0649)

Please bring a contribution of wine, cheese or fruit

FEMINIST PERSPECTIVES ON MEDICINE AND HEALTH CARE is a new series of discussions & dialogues about research, education and practice in relation to women and women's concerns. Interested students, faculty and staff, both women and men, are welcome to attend. Contributions of refreshments are requested so that financial support can be used for outside speakers.

Schools of Basic Medical Sciences and Clinical Medicine at Urbana-Champaign/WOMEN IN THE HEALTH PROFESSIONS/190 Medical Sciences Building, 506 S. Mathews, University of Illinois, Urbana IL 61801.
