Dr. C. A. Ruckmick,  
209 University Hall,

My dear Dr. Ruckmick:

President Kinley desires you to make as early, full, and frank an answer as possible to the charges stated and implied in the accompanying extract from a sworn statement now in the hands of the President. Pending such reply he directs me to notify you that you are suspended from all University duties. A copy of my note to Professor Bentley apprising him of this action is attached, my sole communication with him on the matter in review.

Very truly yours,
